THE PROCESS IS SIMPLE

Divine Consign is located in downtown Vancouver and is a community fundraiser where you can donate, buy and sell upscale, gently used home furnishings. Their goal is to help raise funds for nonprofits and charities so they can accomplish their missions and help build a stronger community.

To donate household goods:

- Bring, mail or email a photo of the item(s) to Divine Consign. Include the original price, age of the item and manufacturer's name, if possible.
- Divine Consign's in-store appraisers will help you set a fair selling price.
- They accept clean, gently used home furnishings and accessories (no damage).
- They will pay for pick-up of donated items (if the value is more than the cost of transportation).
- You will receive an in-kind tax receipt when they receive the furniture.
- The REALTORS® Foundation will receive a share of the proceeds when the item(s) sell.
